

**Declaration of Interests**

It is vital that governors and staff act, and are seen to act, impartially. All governors (or equivalent) and Delegated Budget Holders are therefore required to complete a declaration of their interests. Declarations should include all business and pecuniary (monetary) interests such as directorships, shareholdings and other appointments of influence within a business or other organisation. They should also include interests of related persons, such as parent, spouse, child, cohabitee and business partner, where influence could be exerted by that person over a governor or a member of staff. Further guidance on this is included overleaf.

Register of Business / Pecuniary Interests

Individuals should include interests of both themselves and members of their immediate family (including partners). Completion of this register does not remove the legal duty upon governors and members of staff with financial responsibility, to declare personal interest in any item of business at a meeting and for the person concerned to withdraw whilst the matter is considered. Please refer to the corresponding guidance notes (on the back of this page) when completing the declaration.

I certify that I have declared all beneficial interests, which I or any person closely connected with me, have with businesses or other organisations which may have dealings with the company or the academy. I also undertake to inform the company of any change in these business interests. I acknowledge that failure to declare a business interest may result in disciplinary action and ultimately removal from my position.
