13th November 2017

Dear Parents/Carers,

On Friday 24th November 2017 it is CRY (Cardiac Risk in the Young) awareness day. Every week in the UK at least 12 apparently "fit and healthy" young people die of undiagnosed heart conditions. CRY raise awareness and offer support to families who have been affected by this. Year 6 class teacher Miss McKay has been personally affected by cardiac illness in her own family. Therefore here at Castleford Park Junior Academy we want to try and raise as much money as we can for such a worthwhile cause.

Our School council have decided to organise a sponsored fun run to mark the event. The fun run will be part of the school day and will be organised and run by year 5&6 school council with support from myself and Mrs Walton. Children will be running around the school field setting their own target laps.

Attached is a sponsor form which your child can use to raise money for this extremely important charity. Please return completed sponsor forms and any money to the school office by Monday 10th December latest.

Come on Castleford Park Junior Academy let's make Miss McKay proud.

Yours Faithfully,

Donna Foster
