Monday, January 15th

Dear Parents and Carers,

We feel lucky to be able to offer two 'Forest Schools' after school clubs on Wednesday and Thursday night starting this week! They will be outdoor clubs that could involve activities like den building, making fires, cooking outside, gardening and habitat building. The trained teacher will explore the children's interests firstly and then will tailor the activities to suit them. The club will run from 15:05 until 16:15. If you would like to know more about the type of activities that the children could take part in, please look at the following website: oakforestschool.co.uk. As the club will take place outdoors each week, children need to be prepared for this – bringing a change of clothes that can get dirty and enough clothes to keep them warm whilst they are outside for an hour. Walking boots, or old trainers would be best for their feet. If they do not bring the appropriate clothing and footwear, they will not be able to join in – as this could pose a health and safety risk.

If your child would like to join, please complete the slip below and return it as soon as possible so they can start this week. As the club is run by a specialist teacher, there will be a charge of £3 per session (4 sessions for £12). The club will run until the end of the half term and then be re-allocated to different children if more are interested, or continued in the second half of the Spring term with the same children. Only 15 children can take part in each club for health and safety reasons so please return your slip promptly. We will draw names out of a hat on Tuesday night if there is a lot of interest, to make it as fair as possible. If your child has got a place, we will confirm by text and add the club to their Parentpay account.

As always, children taking part in the club can be collected from the main school office at the time that the club finishes.

Kind Regards,

Miss Law
