Dear Parents/Carers,

Due to the success of the previous aspirations week held last year we have decided that we would like to organise another in the week commencing the **26th March** in line with Wakefield Primary Futures to further enhance the aspirations of the children of CPJA and we need YOUR experiences! Whether you are a nurse, mechanic, astronaut, or business owner- we need you! We are looking for a variety of people interested in spending some time talking to our children about their career. We want our children to have aspirations for the future and be aware of just some of the career opportunities available to them and this is a fantastic way to provide them with first-hand knowledge of potential career paths. This is also a great way for you to get involved in school and make an impact on the children's future. If you are unable to help but know someone who could, please give them (or us) the necessary contact information.

Thank you in advance for your support and involvement!

J. Roberts

(If you have any questions or would like to get further information please contact Mrs Roberts)

Please return the slip below to your child's class teacher by Thursday 15th February so we can make a timetable of the week.
