Wednesday 18th April

Dear Parents and Carers,

Your child has been chosen to take part in an extra Forest Schools session to develop our gardening area within school. This will help the children to widen their knowledge of growing plants as well as building effective communication, collaboration and team work skills as they will work in a small group. This session will last for part of the afternoon, so they will still be able to take part in other curriculum areas being taught in our classroom.

The session will take place during school time every alternative Thursday afternoon for the rest of the half term. Please see session dates below,

Thursday 19 th April
Thursday 3 rd May
Thursday 17 th May

It will be run by our current Forest School providers and children will be supported by another member of staff from within school. They will need to bring old clothes and shoes to wear which are warm, waterproof and can get dirty

Kind Regards,

The Year Three Team

Name: _____ Class: _____

I consent/do not consent to my child taking part in the above mentioned forest schools session
