Dear Parents and Carers,

As part of the PSHE curriculum over the coming weeks Year 5 will be learning about times of change and bereavement. These lessons will include:

- Recognising that change will affect everyone at some time in their life.
- Identifying ways of positively coping with times of change.
- Recognising that at times of loss, there is a period of grief that people go through.
- Understanding there are a range of feelings that accompany bereavement and know that these are necessary and important.
- knowing some ways of expressing feelings related to grief.

We understand this can be a difficult subject for some pupils. If you have any questions or concerns regarding these lessons please speak to your child's class teacher; where more information can be given.

Kind regards,

The Year 5 Team.
