12<sup>th</sup> February 2018

Dear Parents/Carers,

As our current big question is 'Are we all born survivors' and with much of this topic being linked to rainforests, Year 5 have booked an exciting Zoolab workshop for Friday 2<sup>nd</sup> March. The ranger running the workshop will educate the children on the layers of the rainforest. The pupils will gain an understanding of this habitat and how the animals have adapted. Pupils will then see and handle some real exotic animals similar to those found in a rainforest.

This is a fascinating opportunity for the children to explore unusual animals, developing their science and geographical knowledge. We would kindly ask for a contribution of £3.50 in order to fund the experts that will bring the animals into school. Without this, such an opportunity would not be able to take place.

We thank you in advance for your support with this,

The Year 5 Team

---

## Rainforest Workshop, Friday 2<sup>nd</sup> March - Year Five

I give permission for my child to handle the exotic animals.

If appropriate, please list any allergies that may affect them during the workshop.
