Year 3 Parent Information Session – Thursday Sept. 13th

Dear Parents and Carers,

As explained in our newsletter, we would like to warmly invite you to come along to our Parent Information session on Thursday, September 13th straight after school – open until 4:30pm.

The aim of this event is for parents to drop in and find out how we support your children in a range of areas, how this can be continued at home and to understand more about school systems and procedures. There will be a number of pop-up 'Learning Hubs' around school, which you can choose to attend, depending on your personal requirements. A handout will be provided so that you have information to take away as a reference point. Attached – is a plan of school to help you navigate and also to help you decide which sessions you want to attend.

Our main objective is to support you as effectively as we can. There will be one or two members of staff in each room who are ready to help you but please be mindful that they may have a lot of parents to see so you may need to wait for a short while to have your questions answered effectively. Below are details regarding what will be on offer:
