Dear Parent/Guardian,

After meeting you at SATS meeting, I have created a list of useful resources and/or websites that will be useful for you and your child in the lead up to SATS. Please find a list below with a brief outline of what each site has to offer.

<http://www.mathletics.co.uk/> - Each child has a paid membership from school.

<http://www.satspapers.org.uk/Page.aspx?Tid=5> - Every SATS paper from Year 1 to Year 11, including level 6 past papers.

https://www.cgpbooks.co.uk/whoAreYou?page=books_11Plus_free_tests - A website with limited free resources although the publications they sell are highly recommended and used in primary schools.

<http://resources.woodlands-junior.kent.sch.uk/revision/index.html> - Has some great games for Numeracy and Literacy.

<http://sats.highamstjohns.com/> - A good selection of past papers and levelled questions, particularly in Numeracy but also Literacy.

<http://www.topmarks.co.uk/interactive.aspx?cat=1> - Some great interactive games for Numeracy and Literacy.

<http://www.primroselane.leeds.sch.uk/page.php?id=3229> - Some great interactive games for Numeracy.

http://shop.scholastic.co.uk/products/90472?qclid=COTx472FqsQCFU_MtAodsyQAAA - Some very useful revision booklets.

<https://account.tes.co.uk/LogOn?rtn=https%3A%2F%2Fwww.tes.co.uk%2Fredirto.aspx?redir=https%3A%2F%2Fwww.tes.co.uk%2Fteaching-resource%2Fmoney--levelled-sats-questions--ks2-6431268> - You have to create an account on this but then you can access thousands of activities published online by teachers.

<http://www.holycross.e-sussex.sch.uk/page/?title=Home+Learning&pid=79> - Some really useful website links and video clips.

<http://www.bbc.co.uk/education/levels/zbr9wmn> - Some great games and videos.

<http://www.iboard.co.uk/> - Great website. Lots of good activities for Numeracy and Literacy. Sign up for a FREE trial for a period of 30 days and have full access to the site.

I hope you find these resources useful, and, as I said at the meeting, please just ask if you need anything and we will try our best to help you in helping your child achieve the best they can. I also have some videos which I find extremely useful which show the children the techniques of each topic covered in Maths, if you have a USB I will upload this for you so that it is available for you and your children during revision. I often use this myself and would strongly recommend it if you have a USB. I also have interactive games which I am happy to pass on.

Many thanks,

Mr Booth
